SALVE REGINA

per Canto solo, 2 Violini, Viola e Organo

This edition is based on a set of parts which is kept in the
Bavarian State Library (Munich) in the
Collectio musicalis Maximiliana under the signature
Coll.mus.Max 92. It can be seen here:
<http://daten.digitale-sammlungen.de/~db/0003/bsb00033338/images/>

There are six parts: Canto solo, Violino Primo, Violino Secondo, Viola,
Organo, Organo. The handwriting in one of the Organo parts differs
from that of the other five. In that time »Organo« was a term used to
describe a multitude of instrumental possibilities. One of these parts
was certainly intended to be played by a stringed instrument. The music
in both parts is identical.

The original Organo part has a few figures. In this edition these figures
are in bold print, all others are editorial. I have also supplied figures for
»Et Jesum« which is marked »senza Organo«, in case you may want to
ignore this suggestion.

The accidentals are given as they appear in the source. Cautionary and
editorial accidentals are flagged with an asterisk.

The spelling of the text has been adjusted to comply with the
Missale Romanum.
