TO MY LADY'S GIRDLE.

THAT which her slender waist confined
Shall now my joyful temples bind ;
It was my Heav'n's extremest sphere,
The pale that held my lovely dear.

My joy, my grief, my hope, my love,
Did all within this circle move—
A narrow compass, and yet there
Dwelt all that's good and all that's fair.

Give me but what this ribbon bound,
Take all the rest the sun goes round.
