OME fu sempre stimata temerità l'impegnare in cose, che non habbian del grande anime grandi, così non può non esser lodato di prudente, chi à quelle Apoggia le picciole, perche ne habbiano insieme, e protezione, e merito. Questa fu la causa, Illustrissima Signora, che io consacrassi al suo nome questi miei Musici componimenti, acciò non potendo hauer lode da chi li diede in luce, aquiscono qualche preggio da chi li protegge. Non douena la mia seruitù obligata già contanti titoli alla

Signora Marchesa sua Madre passare in altri, che in chi hà hereditate con il sangue la di lei virtù, cui perche fossero più potenti ad incatenarsi ogni cuore, volle, che fossero Armoniche. La solennità di sue fortunatissime nozze volena, che li miei sudori applaudessero all'unione con sì gran sposo, e che la seruitù, che altre volte fù diuisa, in questo anche comparisse armonia, mentre s'unisce al comune ossequio d'entrambi. Spereranno da quì in auanti felicità, e fortuna le mie fatiche, mentre è loro dato in sorte il loro nome, e se non denono comparire per non esser buone saranno buone perche son serue. Gradisca dunque V. S. Illustrissima l'ossequio che le tributo, e sappia, che queste mie carte non temeranno alcun oltraggio dall'Inuidia, e dalla obliuione, se haueranno l'honore d'esser mirate da V. S. Illustrissima, la quale sì come può emendarne ogni errore come intendentissima di quest'arte, così può come cortesissima per mettermi l'honore di dirmi.
