There is a flow'r a lovely flow'r, Ting'd deep with faith's un-changing hue;

Pure as the e - ether in its hour Of loveliest and ser - en-est blue.

The streamlet's gentle side it seeks, The
 silent fount, the shaded grot. And sweetly to the heart it speaks, For - get me not, for -
 - get me not. And sweetly to the heart it speaks, For - get me not, for - get me not -

2.

Mild as the azure of thine eyes
 Soft as the halo beam above,
 In tender whispers still it sighs,
 Forget me not, my life my love!
 There where my last steps turned away,
 Wet eyes shall touch the sacred spot,
 And this sweet flower be heard to say,
 Forget! ah no! forget me not!

3.

Yet deep azure leaves within
 Is seen the blighted hue of care;
 And what that secret grief had been,
 The drooping stem may well declare.
 The dew drops on its leaves are tears,
 That ask, 'Am I so soon forgot?'
 Repeating still, amidst their fears,
 My life, my love! forget me not!
