2.

Let's sit down and talk together;  
 Many years away have passed,  
 And fair and foul has been the weather  
 Since we saw each other last.  
 Many whom we loved are living  
 In a better world than this;  
 And some among us still are giving  
 Toil and thought for present bliss.  
 Lets sit down, &c.

3.

Let's sit down and talk together;  
 Though the flowers of youth are dead,  
 The ferns still grow among the heather,  
 And for us their fragrance shed.  
 Life has thousand blessings in it  
 Even for the aged man;  
 And God has hid in every minute  
 Something we may wisely scan.  
 Lets sit down, &c.

4.

Let's sit down and talk together;  
 Boys we were, — we now are men;  
 We meet awhile, but know not whither  
 We shall meet to talk again.  
 Parting time has come: how fleetly  
 Speed the moments when their wings  
 Are fanned by breathings issuing sweetly  
 From a tongue that never stings!  
 Lets sit down, &c.
