ILLVSTRISS. ET REVERENDISS. PATRONO

AC DOMINO MEO COLENDISS. D. FLAVIO VRSINO

S. R. E. CARDINALI.

ILLustrissime ac Reuerendisime Domine, patrone colendisime. Vulgare & verum est prouerbium. Res est solliciti plena timoris Amor. Sic ego, qui iam à multis annis gaudeo possessione clientelæ ac seruitij apud Illustrissimam D. V. quamuis in eadem adhuc perseuerem ardentiore affectu, quam quispiam mortalium posset imaginari: nihilominus mihi suspicio & metus obortus est, magnum annorum interuallum ab eo tempore intercurrentes, quo Roma discessi vocatus in Famulitium Cæsareæ Maiestatis, Mihi præiudicasse, & eam turbasse: non tam apud benignitatem tuam mihi abunde perspectam, quam apud vulgus hominum. Quapropter cum nihil habeam, quo mihi met placere magis, gloriariue debeam aut possim, quam quod non minus lubenter obnoxius & addictus sim

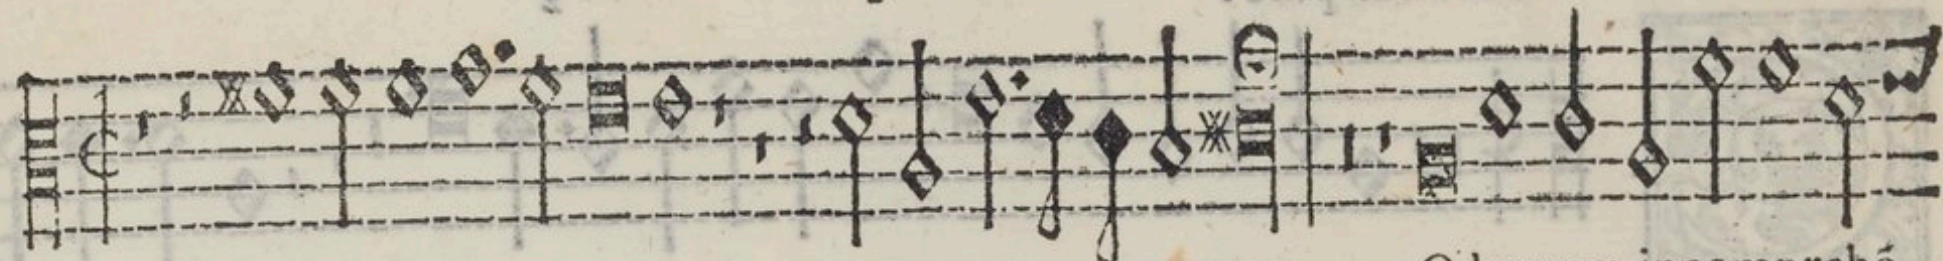

Illustrissimæ D. V. quam huic Augustissimæ Cæsareæ Maiestati: volui denuo fidem cunctis facere continuatæ & nunquam interruptę deuotionis vel obseruantię meæ, sed potius adauctæ: atq; nouo quodam iuris documento corroborare veterem meam possessionem hac editione Cantionum musicarum honorato nomini Illustrissimæ D. V. a me consecratarum. Quas eadem spero pro sua humanitate lubenter videbit & audiet, etiam si non tales sint, vt exquisito suo palato, & accurato iudicio conuenire possint. Placeat tamen Illustriss. D. V. præcor hanc meam opellam, velut nouum pignus veteris atq; intimæ meæ affectionis acceptando honore afficere: cui me cum omni reuerentia humillimè commendo. Vienna.
