REVERENDISSIMO
ET ILLUSTRISSIMO PRINCIP
AC DOMINO, D. IVLIO, DEI GRATIA EPI-
scopo Wirceburgensi, Franciæ Orientalis Duci &c.
Domino suo clementissimo, S.

NIHIL dubium est, Reverendissime & Illustrissime Prin-
ceps, Domine clementissime, artem Musicam ut nobilissimam & suavissi-
mam, ita antiquissimam esse, & non tantum Conviviis & aliis festivitati-
bus, sed etiam, & omnium maxime, religioni cultibusq; divinis semper ad-
hibitam. Testantur hoc non tantum exempla Mosis & sacerdotum ve-
teris Testamenti, sed & ipsius Davidis, & Regis & Musici omnium pra-
stantissimi, qui Cantoribus peculiarem locum in Hierarchia sui temporis
attribuit, & eos copia dulcissimorum Psalmorum instruxit, quos in sacris
conventibus cantari precipit, adhibitis Psalteriis, Organis, Cithara et aliis
instrumentis Musicis, ut ipsa suavitate concentus populo fierent commendabiliores. Imitati sunt
hoc exemplum Apostoli in novo Testamento, unde D. Paulus Ephesios suos hortatur, ut sibi invicem
loquantur per Psalmos, Hymnos & Canticiones spirituales, psallentes & canentes Deo in cordibus suis.
Et quia experientia docet, numeris & melodiis inclusa & arripi avidius, & tenacius memoria re-
tineri, ideo homines ingeniosi non tantum precipuas Religionis nostræ partes Symbolis comprehensas
sed & precipuorum festorum historias, & illustriora Prophetarum & Apostolorum dicta, quibus tan-
quam aphorismis summa salutaris doctrina proponitur, harmonicis numerorum concentibus inclu-
serunt, qui hæcenus in omnibus templorum officiis (ut vocant) usurpati sunt, & una eademq; opera
& religio vera propagata, & Musica exulta fuit. Occuparunt in hoc se studio præclarissima semper
ingenia, quibus omnibus & singulis pro navata opera sua debetur & gratia & commendatio, Scio
tamen hoc nostro seculo præcipua quorundam in hoc genere enituit industria, ex quorum ego monu-
menti canticiones excerpti selectissimas, inq; tres libros digestas non ita pridem typis evulgavi. Quod
labore hoc me præstitisse confido, ut hi qui templis scholisq; serviunt, habeant, quod cum delectis sa-
crorum solennibus adhibeant, reliqui vero Musices studiosi, ut hanc artem jucunda canticorum va-
rietate exercere possint. Et his quidem à me satisfactum ut cunq; spero, ab illis vero, hoc adhuc requi-
ri intelligo quod in Motectis sacris colligendis feci, idem ut & in Missarum (ut vocant) & hymni
divæ virginis melodiis faciam, quod & his in sacrorum ritibus crebro utendum sit, & pauca huius
generis opera extent publicè. Passus igitur sum (præsertim Typographo nostro idem urgente) & hunc
laborem mihi imponi, & adhibito eodem, quo in Motectis usus sum, delectu, collegi ex præstantissimis
nostri temporis artificii monumentis selectissimas Missarum & Hymni divæ virginis harmonias, quas
& ipsas in certos libros distributas (Deo vitam prorogante) in gratiam Musicorum ordine evulgare
decevi. Auspicatus autem nuper sum istum laborem ab editione Quinque Missarum, quibus nunc
has Hymni virginæ (Magnificat vocant) harmonias subungere, & Musicis tanquam de typis futura
operis ostendere volui. Adscripsi autem huic editioni Reverendæ Tuæ Celsit. nomen, & ut huius mei
studii quasi patronum haberem, & ut hoc modo aliquam observantia mea erga Reverend. T. Cels.
cum debita subjectione significationem ostenderem. Quanta igitur possum animi submissione peto,
ut Reverend. T. Cels. hoc meum factum benigne suscipiat, & me sua gratia & favore complecti di-
gnetur. Bene & feliciter valeat Reverend. T. Cels. Noriberga, ipso die S. Cecilia, Musicorum pa-
trona, Anno a divæ virginis partu 1590.

Tuam Reverend. & Illust. Celsit.

submisso observans & colens

Fridericus Lindenerus, Cantor
ad D. Aegidii ibid.

Deus in adiutorium meum intende.
