Prologue.

Ouverture.

The first system of music consists of two staves. The upper staff is in treble clef with a 2/2 time signature. The lower staff is in bass clef with a 2/2 time signature. The music begins with a key signature of one sharp (F#) and a common time signature (C). The notation includes various note values, rests, and accidentals.

The second system of music continues the piece on two staves. The upper staff is in treble clef and the lower staff is in bass clef. The key signature remains one sharp (F#) and the time signature is common time (C). The notation continues with various note values and rests.

Handwritten musical notation for the first system. The top staff is in treble clef with a key signature of one sharp (F#) and a common time signature (C). It contains several measures of music, including a half rest and a measure with a 6/4 time signature. The bottom staff is in bass clef with a key signature of one sharp (F#) and a common time signature (C). It contains several measures of music, including a measure with a 6/4 time signature. The word "2^osto" is written above the top staff, and "Reprise." is written below the bottom staff.

Handwritten musical notation for the second system. The top staff is in treble clef with a key signature of one sharp (F#) and a common time signature (C). It contains several measures of music. The bottom staff is in bass clef with a key signature of one sharp (F#) and a common time signature (C). It contains several measures of music. The word "Reprise." is written below the bottom staff.

Handwritten musical notation for the third system. The top staff is in treble clef with a key signature of one sharp (F#) and a common time signature (C). It contains several measures of music. The bottom staff is in bass clef with a key signature of one sharp (F#) and a common time signature (C). It contains several measures of music.

The first system of handwritten musical notation consists of two staves. The top staff is in treble clef and the bottom staff is in bass clef. The music is written in a single system, indicated by a large brace on the left. The notation includes various note values, rests, and accidentals (sharps and naturals). The paper shows signs of age with some staining.

The second system of handwritten musical notation consists of two staves. The top staff is in treble clef and the bottom staff is in bass clef. The music is written in a single system, indicated by a large brace on the left. The notation includes various note values, rests, and accidentals (sharps and naturals). The paper shows signs of age with some staining.

The third system of handwritten musical notation consists of two staves. The top staff is in treble clef and the bottom staff is in bass clef.
