

MERTON MUSIC

Merton Music is devoted to making rare string chamber music accessible to players at prices which will positively encourage exploration. There are 1079 items in the catalogue from 289 composers, most of whose names you will find in the border. Not all are masterpieces but very few deserve the neglect they have endured because their original publishers allowed them to go out of print. All can be posted to you direct from the publisher, Theo Wyatt, in London at the following standard price per page of music, post-free; a fraction of the price of commercial publications:

U.K.	£0.10
U.S.A	\$0.20
Germany	€0,20
Holland	€0,20
Australia	A\$0.30
Sweden	SEK1.50

The music is supplied in parts ready for the music stand on 100gsm A3 paper in a 160gsm cover. For many of these works separate scores are available.
