

## WITH STILL INCREASING BLESSINGS

WITH still increasing blessings may  
Our God reward thy cherished years,  
As, past the eve of northern day,  
The light lasts on till morning nears.

And as we bless thee may we guard  
Thy steadfast love of truth, for there  
Lies more than Glory battle-starred,  
And more than Peace, however fair.

LORNE.

# WITH STILL INCREASING BLESSINGS.

Marquis of Lorne.

Arthur Somervell.
