AMPLISSIMO
ATQVE PRVDENTISSIMO
SENATORVM ORDINI VR-
bis Noricæ, Dominis ſuis Clementiſsimis,

Adrianus Petit Coclico, ſalutem.

PRincipio Deum æternum patrem liberatoris noſtri Ieſu Chriſti oro, ut det politijs, quæ ſunt hoſpicia Eccleſiæ, uobis uniuerſis & ſingulis, annum tranquillum, fauſtum, & fœlicem. Ordiri ſic à uoto libuit, ne quid contra meam ætatem cōmitterem, ut ſignificatum eſt in ueteri uerſu εὐχαί τε γερόντων. Quare uos pro ueſtra prudentia, id ut candide accipiatis maiorem in modum rogo. Inter cætera autem mala huius poſtremæ ętatis, & ſenectæ mundi, etiam hoc ſe profert, quòd artes bonæ, & earum cultores negliguntur, & contemnuntur. Cuius ego rei magna cum iactura mea periculū feci, cum propter nomen Chriſti, & religionis ueræ confeſsionē, ab infidelibus patria eiectus, & omnibus bonis ſpoliatus: me conferrem ad Muſicam, quæ mihi ſola adhuc ex naufragio (ut ita dicā) relicta erat, & quam à præſtātiſsimo artifice Ioſquino de Pratis uidelicet, cuius me diſcipulū eſſe profiteor,

hauſeram,unde etiam me poſthac uitam ſuſtentaturum poſſe ſperabam. Quantam tunc impietatem & ingratitudinem multorum erga me ſum expertus? Peragrata igitur maxima Germaniæ parte,tandē perueni Francofordiam ad Menū, et inde me in Angliam cōferre ſtatuebam. At bellorū rumoribus,& impedimentis alijs ex ea peregrinatione reuocatus, cum Montano typographo ad ueſtram urbem appuli. Ne tamen hic interea tempus in ocio, & deſidia traducerem, collegi conſolationes ex Pſalmis & ſcriptis Propheticis, his temporibus calamitoſis apprime utiles,quas Melodijs concinnaui,& eas potiſsimum ueſtræ prudentiæ dedicare conatus ſum, ut θελκτήριον habeatis aliquod, quo animos ueſtros, preſertim hoc turbulento tempore, in regenda republica, curis & ſolicitudine grauatos,reficiam, atque recreem: Muſica enim lenimen laborum, & ſolamen mali eſſe perhibetur,id quod etiam ſacræ literæ teſtantur. Deinde ut uobis hanc artem commendarem,ac ut etiam amplius meam operam ueſtræ prudentiæ probarem, in honorem ueſtri,& iuuentutis ueſtræ nobiliſsimæ uſum, nunc ſimul emitto Muſicam,in qua tria præcipue, quæ reliqui omiſerunt, trado: Primum de modo eleganter canēdi,Deinde de Contrapuncto,Tertio de Compoſitione. Quod opus propterea inſtitui,cum urbs ueſtra alioqui multis præſtantibus ingenijs, & donis ornata ſit, etiam huius artis uero uſu non deſtituatur. Hunc laborem igitur ut æqui boniq; conſulatis,ſubmiſſe rogo, Valete.

V. Excellentiæ

Deditiſsimus Adrianus Petit.
