

Cette édition du 2<sup>e</sup> concerto pour Clarinette Principale en Do majeur de Frédéric Blasius se base sur une copie sur microfilm de la première édition. Le microfilm est déposé au *Rita Benton Music Library, University of Iowa, USA*. Je remercie Dr. Amy McBeth pour m'avoir aimablement transmis les images scannées du microfilm. J'ai suivi l'édition originale en corrigeant quelques erreurs mineures. La numérotation de 2<sup>e</sup> concerto qui apparaît sur la page de titre, n'est pas certaine, puisque les parties de hautbois et de cor sont intitulées 1<sup>er</sup> concerto, ce qu'ont retenu les musiciens qui ont réalisé le seul enregistrement que je connaisse, celui du Kurpfälzisches Kammerorchester.

This edition of Frédéric Blasius' 2<sup>nd</sup> Concerto for Clarinet Principal in C major is based on a microfilm copy of the first edition. The microfilm is deposited at the *Rita Benton Music Library, University of Iowa, USA*. I would like to thank Dr. Amy McBeth for kindly sending me the scanned images from the microfilm. I have followed the original edition correcting a few minor errors. The numbering of the 2<sup>nd</sup> concerto that appears on the title page is not certain, since the oboe and horn parts are entitled 1st concerto, which was retained by the musicians who made the only recording I know of, that of the Kurpfälzisches Kammerorchester.
